The Porn Talk ... How to talk to your kids about porn <http://theporntalk.com/home>

The Porn Talk team is made up of family life experts, professional counselors, pastors, creative directors, parents, teens, and Web developers who are dedicated to helping parents address the issue of pornography and Internet dangers. The goal is simple. We want you to talk to your kids about porn. We want you to be filled with courage and good information for talking through this important issue with your children. It is our desire that through this Website you can connect and learn from other people who are in the same boat as you. We want to shake you up a little and push you out of your comfort zones. We're not here to sell you stuff or make you join some weird or wacky cause. No hidden agendas or secret deals. We're keeping it real and honest and making this about you and your kids.
